

AMERICAN EMBASSY MONROVIA

INVITATION TO BID

The Embassy of the United States of America hereby invites interested reputable and qualified water trucking companies to submit proposals for water trucking services to all U.S. Embassy facilities in Monrovia, Liberia. Three (3) to five (5) water trucks with capacity of 4,500 – 6,000 gallons of water per trip are preferable. The estimated minimum order for each contract year is 50,000 gallons of water. The maximum order for each contract year will not exceed 13,000,000 gallons of water. Please note that these are only estimated orders. The anticipated performance is for a base period of twelve months and two one-year periods (**this may change based on your CPARS status**) at the option of the Government. For complete details regarding this requirement go to www.FedBizOpps.Gov and click on the “Go” button in the upper left corner next to “Find Business Opportunities,” next, scroll down to “Search by Solicitation/Award Number” located in the white area and type in (SLI60016R0010), click on “Start Search,” which is located slightly above the “Search by Solicitation/Award Number” block. You will need to check this website periodically for updates.

Site visit is scheduled for Friday, June 24, 2016 at 10:00 a.m. on the New Embassy Compound, 502 Benson Street – Monrovia, Liberia. All prospective contractors are to assemble at the New Embassy Compound Main Service Gate located on 502 Benson Street – Monrovia, Liberia where they will be escorted by an Embassy representative. The complete scope of work and specifications will be distributed at this time.

Your proposal must be in a sealed envelope and addressed to:
