

AMERICAN EMBASSY MONROVIA

INVITATION TO BID

The Embassy of the United States of America hereby invites interested reputable and qualified Geological Companies to submit proposals for Geological Survey & Studies leading to the provision of Portable Well Digging Services for the U.S. Embassy's OSC Office in Monrovia, Liberia.

Site visit is scheduled for Wednesday, February 17, 2021 at 09:00 AM. at the EBK Barracks in Margibi County – Monrovia, Liberia. All prospective contractors are to forward their full company details (Company Name, Phone number, Email address and Office address) to Kuehlaw@state.gov on or before February 12, 2021. Responsible offerors will be notified of acceptance into the site visit and shall be escorted by an Embassy representative to the site locations.

Responsibility Determination. The Government will determine contractor responsibility by analyzing whether the apparent successful offeror complies with the requirements of FAR Subpart 9.1, including:

- Adequate financial resources or the ability to obtain them
- Ability to comply with the required performance period, taking into consideration all existing commercial and governmental business commitments
- Satisfactory record of integrity and business ethics
- Necessary organization, experience, and skills or the ability to obtain them
- Necessary equipment and facilities or the ability to obtain them; and
- Be otherwise qualified and eligible to receive an award under applicable laws and regulations.

Proposals must be sent via email to Kuehlaw@state.gov on or before February 23, 2021. Oral quotations will not be accepted.
